

Investor Application - MyEasi app by Depositories

In coordination with the Securities and Exchange Board of India (SEBI), the Depositories (CDSL/NSDL) have introduced an upgraded version of the MyEasi mobile application aimed at providing easier access to demat-related information.

About MyEasi

The enhanced platform is designed to provide investors with seamless access to their demat-related information and a consolidated, comprehensive view of their holdings across the securities market, enabling greater convenience and transparency in portfolio monitoring.

Key Features of the Application are as follows;

1. Consolidated view of securities of client across both the Depositories eliminating the need for multiple login;
2. Transaction and holding statements at one place improving portfolio management by investors;
3. Monitoring of open positions and margin details across Stock Exchanges and Clearing Corporations;
4. Option to exercise E-voting on company resolutions; and
5. Access to recommendations of proxy advisers on resolutions.
